RE: Red Mile Mixed-Use Redevelopment project #14
Tax Increment Financing Request for Tax Year 2017

Dear Mr. Morris,

The Cabinet for Economic Development has received a request from the Lexington-Fayette Urban County Government for the 2017 Tax Increment generated from activity associated with the Red Mile Mixed-Use Redevelopment project. Attached please find the request along with all supporting documentation from the Agency.

If any additional information is needed to assist in preparing the increment, please contact me so that we may gather the necessary information from the Agency. Once the increment is transferred to the Agency, please submit verification of the instrument used to transfer the funds and to whom the funds were transferred to so that we are able to document our files.

Sincerely,

A handwritten signature in blue ink that reads "Donald McDowell".
